HORNBY CLUB DAY A BIG SUCCESS

The Hornby Club Day at Nunweek the other week was an outstanding success due in good part to the number of Junior players who made the effort and dressed up in the club colours and took part in the various activities to show the hockey fraternity that Hornby has something special to offer its members. Thank you all for your help with the set up, the all day sausage sizzle, the roving Hornby sign and the other things that were undertaken on the day. We certainly made our presence felt. Congratulations to Rebecca Davidson who won the lucky \$100 draw the following week.

tO say "Hi....."

Well hi there again boys and girls. It's **Dan D Lion** back again with all the latest news and info.

First of all another big thank you to all for your efforts with our big fundraising campaign.

Between you all you have sold about 2.000 pens and your club will make a tidy profit from this promotion.

It was great to see a good crowd at the prize draw and congratulations to those that were successful. We would of course have liked to give a prize to everyone but obviously this is not possible. We do though thank you all very much again for your efforts

Our other big fundraising effort, which a number of your mums and dads attended was our Quiz night. This also was very well supported and a great night was had by all. So well done you.

All of our teams continue to do well, leading the charge is our Primary A girls team who at the time of writing are still unbeaten and there are several other good results as well so keep up the good work, practice well and enjoy your games whether you win or lose.

We have a couple of fun nights coming up at the clubrooms after the holidays

Sat 30 July is our famous Mystery 50c Dutch auction. There are 10 lots to bid for and the premium prize is a Sanyo digital camera. So come on along with a few 50c pieces in your pocket. You never know it could be you that gets a prize.

The following week 6 August is our **Sponsors night** and our **Annual Torchlight Treasure Hunt**.

We need to have a good showing of support on Sponsors night for this is the day we invite all our sponsors to join us for presentations so we can personally thank them for their contributions to our club. Nothing worse than having them there and just a few club members so please come along.

As a reward for your attendance we will have the treasure hunt straight after presentations so tell mum and dad to be prepared to stay on for a bit while it is on.

Lost Property. Quite a few items of clothing have been left behind at Wycla Park. If some of this is yours please take it home over the next week or two otherwise it goes into the Plunket bin.

School Holiday Coaching Clinic

Our scholarship students are running a coaching clinic in the first week of the holidays and we recommend that you take part in this if at all possible. There is no charge.
